

A new chapter begins for A & B Garden Art Iron Works.

New Ownership * New Name * New Vision * Same Commitment to
Quality as Don Sprague Sales/Garden Gallery Iron Works.

We are proud and excited to officially announce that the business has been
purchased and is now under new ownership.

As part of this transition, the new business will now proudly operate under the new name:
A & B Garden Art Iron Works.

This is an exciting moment for us, and we are honored to step into the future of a business
with an established history, valued customers, and a strong connection to the community.

The previous chapter has come to a close, and a new chapter is beginning.

We want to be clear with our longtime customers; this is a change in ownership and a new
name. While we are moving forward with our own vision and direction, we deeply respect the
history and relationships that came before us.

Our commitment moving forward is simple:

Style. Craftsmanship. Dedication.

We believe that quality should never be compromised. Every project deserves careful
attention, quality materials, skilled craftsmanship, and pride in the finished project.

We are dedicated to earning the trust of every customer we serve. Whether you are a
longtime customer returning to work with us or someone just discovering A & B Garden Art
Iron Works, we want you to feel confident that your project is important to us.

Our vision is to continue creating beautiful, distinctive pieces that bring character and
personality to gardens, patios, landscapes, and outdoor spaces.

We are excited to bring new energy, fresh ideas, creativity, and a personal commitment to
quality into this next chapter.

To everyone who has supported the business in the past, thank you. We recognize that a
business is built not only through its products and craftsmanship, but through the
relationships it develops with its customers.

THE CHAPTER CLOSSES: A NEW ONE OPENS
